Objective

To conceptualize successful entertainment advertising campaigns that will strongly impact the public, then bring those concepts to life through music, because "what you don't see is what you get" (Gordon Mackenzie, *Orbiting the Giant Hairball*).

Experience

Bramblett Group Marketing, Advertising, and Public Relations

July 2015 – Present

Working for a local advertising agency in a wide array of creative areas, including photo and video shoots, photo development, print design, video editing, motion graphics, and web development.

"To Protect and Serve" Project

January 2017

Composed an original band piece called "To Protect and Serve" and lead the Chester County High School Band in rehearsing it.

Marching Band Brass Instructor – Chester County High School

Fall 2016

Assisted with instructing the band in music and marching technique. This included musical direction in brass sectionals and full band rehearsals as well as drill corrections in practices, football games, and competitions.

Dark Horse Studios Collaborative Songwriting

Sept. 2016 – May 2017

Working on a collaborative project with two creative writing students (Freed-Hardeman University) to write two songs, rehearse them, perform them for the University, and record them at Dark Horse Studios in Nashville, TN.

"2023" Score – TSA Club Short Film

Fall 2012

Composed an original score for an original short film called "2023". The short film won first place for the Technical Student Association (TSA) Regional and State competitions.

Education

In Pursuit of an M.F.A.

In current pursuit of terminal degrees in Motion Graphics from SCAD and Music Composition from Academy of Art University.

B.A. – Freed-Hardeman University
